

THE RESHORING TREND

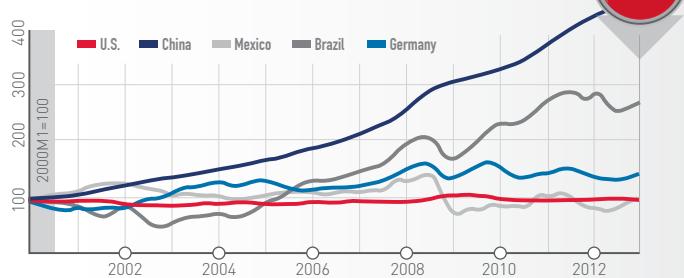

A growing number of industry segments, including electrical products*, are bringing manufacturing back to the United States.

Reshoring Initiative
Bringing Manufacturing Back Home

Please refer to the accompanying press release to see how we can customize the infographic for your state or industry.

1 ESCALATING WAGES OVERSEAS

UNIT LABOR COSTS IN MANUFACTURING IN U.S. \$

As wages continue to increase overseas, particularly in China, it's becoming less cost effective to manufacture outside the United States.
